$22,956 **(45 units)** **$25,525** **(45 units)**
International (in dorms) **$21,525** **(36 units)** (off camups) **$24,094** **(36 units)**
$23,757 **(45 units)** **$26,326** **(45 units)**

WUE: Full (in dorms) **$13,809** (off campus) **$16,378**
***This is the actual cost per the Housing office.**

IMPORTANT: The above fees are based on the final figures from Financial Aid. Out of State students only need pay for up to 45 units per year. If they go over the 45 units they must notify FA accounting that they have already paid for 45 units and they will waive the additional unit fees. The exception are those international students with fee waivers. It has been determined that since they are not paying for the waived 45 units the additional units will be charged.

Insurance for international students is required to be paid through athletic grant in aid. The cost for insurance is $267 per quarter and will be charged to your budget. If you have any students that will not be at CSUB for all 3 quarters please let me know as soon as possible so I don't purchase unnecessary quarters. Also, if the student is staying on through the summer they are required to buy insurance for the summer also.
